<p>Vengeance Motorcycles include a 90-day mechanical, paint & chrome warranty from the time the motorcycle ships from the factory. Customers are required to inspect the finish of their motorcycle upon delivery. Defects must be noted with the carrier/dealer at the time of delivery.</p> <p>Vengeance Motorcycles also include a 1 Year extended mechanical warranty. This warranty expires 1-year from the time the customer takes delivery of the motorcycle or 2-years from the date the motorcycle ships from the factory, whichever comes first. All motorcycles must be registered with the factory within 21 days of the customer taking delivery to be eligible for the extended factory warranty.</p> <p>Road-hazard damage, environmental damage (sun fading, rust, oxidation etc.), scratches, wear and tear, chrome bluing or other visual defects are not warranted. Modification by the dealer or customer of the drive train, engine, intake, air cleaner, oil breather, electrical, suspension or other systems will result in voiding the warranty.</p>
